

Yakult Launches Yakult Global Sustainability Website

Yakult Honsha Co., Ltd. (President: Hiroshi Narita) today announced that it has launched the Yakult Global Sustainability Website to introduce Yakult Group's sustainability-related initiatives to its stakeholders in Japan and abroad.

Yakult Group operates its global business under the philosophy of "We contribute to the health and happiness of people around the world through pursuit of excellence in life science in general and our research and experience in microorganisms in particular."

And we believe that only when everything on the planet is healthy, from water, soil, air, plants, animals and the societies woven together by people, can people live healthy lives.

The website contains the idea of sustainability of Yakult Group, which supports the health of not only people but also the planet through its corporate philosophy and belief as well as a message from the top management. It also plans to update the website with Yakult Group's sustainability-related initiatives and topics.
